

Employment Law Training

2022/ 2023

Training is an important way to develop, upskill and empower people within every business.

Whether you want to keep your HR team fully up to date or run practical employment law training for managers to increase confidence and reduce the risk of costly mistakes and legal claims, we can help.

We deliver training to a wide range of organisations across all industries and as our trainers are employment lawyers who exclusively provide client training, you'll benefit from legal expertise in an interactive, accessible and engaging way.

We offer a full programme of training courses for HR practitioners, legal professionals, leaders, managers and staff. Click the headers to see our training courses in these areas.

We offer both "off-the-shelf" courses or we can tailor courses to make them fully bespoke to your business.
